Muzrai Secretariat. Inam Revision File No. 23 of ~~1906~~ 1902 1904

Note continued:-

The petition having been referred to the Deputy Commissioner of the Bangalore District, that Officer (Mr. H. H. Sparkes) in his ~~His~~ No. 7 dated 17th July 1906) has submitted the records of the suit together with his opinion. From the records it appears as follows:- upon under disposal

The Hunsamaranahalli Matt is a Lingayet Matt situated at Hunsamaranahalli in the Devanhalli Taluk. It is stated to be in the enjoyment of 5 Inam villages and some minor Inam lands in the said Taluk yielding an annual income of about 5400/- rupees. It is presided over by a Guru who is known as Pattabhishikta Nanjeswamigalu. The petitioner Chenna Basava Wadiyar is the Agent of the Matt. His prayers which are six in number are enumerated in the Deputy Commissioner's letter under disposal. From the letter it appears that 2 of the points raised in the peti viz.,(i) that the lands and other pro

though in the possession and enjoyment of the Matt, now stands in the Patta of different individuals, should be registered in the name of the Matt; and (ii) that the tax on the oil mills dedicated for the use of the temples attached to the Matt should be remitted, will be disposed of by the local Officers themselves after the necessary local enquiry. It seems this was explained to the petitioner also. So there are only the remaining 4 points on which orders of Government are required. Of these 4 points one is that in consideration of the gift which the petitioner intends making to the Matt, of landed properties consisting of certain Inam villages, minor Inam lands &c worth about Rs. 33000/- (according to his statment) the Jodi on these lands should be remitted and they should be treated as Devadaya Inam, being enfranchised so as to make them inalienable from the Matt. This prayer is strongly recommended both by the Assistant Commissioner, Mr. K. R. Sreenivasa Iyengar, and by the

Deputy Commissioner Mr. S[illegible] T[illegible] reports -- effect of the recommendation [illegible] Government, is [illegible] get an annual income of about Rs. 1062 and that the Revenue Department would have to forego Rs. 171-8-0 per annum in the shape of Jodi on these lands and villages. The details of the income &c are given in the list presented by the petitioner.

The 3rd point is the repairs required to the Matt. It is reported that the complete repair of the Matt may cost some thousands of rupees. In -- this respect the Assistant Commissioner states ~~the~~ that it is a matter for Government to consider how far the Matt may be granted any help in this matter. The Deputy Commissioner is of opinion that the - Public Works Department may be asked to get an estimate prepared and that the Government may be pleased to sanction a moiety of the cost.

The 3rd prayer of the petitioner that Matt should be honoured with invitat

the Palace on occasions of marriage and other festivities, is submitted both by the Assistant Commissioner and by the Deputy Commissioner for the favourable consideration of Government. A list of the Matts to which invitations from the Palace were sent during the marriages in the Palace is hereto appended. D

Regarding the last point which is about the revival of the cash grant of 7½ Kanteeroyi Varahas per annum, which it is stated the Matt was enjoying up to the year Svabhanu (1882-84) the Assistant Commissioner is of opinion that the Matt cannot claim in any need of a small allowance from Government, because he says that in addition to its present income the Matt will get Rs. 1680 being the proceeds from the lands proposed to be given over to the M by the petitioner. He therefore states that any Taddik from Government is unnecessary, " unless it is to be sanctioned as a mark of honor which the petitioner wishes it to be understood." The Deputy Commissioner however recommends the revival of the

cash grant on the ground that " it will not only add much prestige to the name and honor of the institution, but it would be very helpful at times of scarcity as the expenditure cannot entirely be met from the produce of the Inam lands."

The Amildar Mr. Dorairaja Chetty's English report gives further details.

Muzrai Secretary's Remarks.

I have nothing to add to the recommendation made by the Deputy Commissioner. Submitted for orders.

I am not in favour of making a building grant. The matt should be able with its ample resources to maintain the matt building in a proper condition.

I am not also in favour of reviving the lapsed Cashgrant of 72 ~~Pagodas~~ Varahas though this is recommended by the Dy Commr.

One of the requests made by the pet^r is the disenfranchisement of certain Inam lands & their conversion into Devadaya Inams ~~lands~~. This is a matter for consideration in the Rev Dept in consultation with the ~~Dy~~ Rev Com^r & Inam ~~Comm^r~~ Supdt.

The Dewan ~~is~~ thinks that the disenfranchisement of Inam land and conversion into Devadaya may ~~cause~~ place difficulties in the way of the collection of revenue due to Govt when the Kuadaram or jodi falls into arrears! To obviate such difficulties, it would be well if the land could be made a Sarva inam land in case the Inamdar agrees to pay at once a fine of 25 or 30 times jodi, thus commuting the ~~assessm~~ annual jodi

R. O. No. 16.

The nature of the relief sought for by the applicant and the consequences of granting such relief ~~as~~ not anywhere clearly stated, nor the properties comprised in such relief fully described. I presume that the agent wishes some unalienated lands and ~~Inams~~ enfranchised Inams which are not Devadaya to be brought under the category of inalienable Devadaya. The ostensible reason assigned for it is the desire to keep the property in the Matt. But the real motive is probably to secure a reduction of the quit-rent. If, as the agent says, the properties have been acquired by himself and he desires to give them away absolutely to the Matt, it is quite open to him to insert conditions in the deed of gift which would have the effect of vesting the property in the idol of the Matt with only powers of management in the guru of the Matt for the time being. Further, under Clause A of Rule XVII of the Inam Rules (Page 208 of the Mysore Revenue Manual) it is not open to the agent to redeem the existing jodi and quit-rent. I would therefore recommend the rejection of the application.

The records show that originally the six villages now in the possession of the Matt as Inam were granted to six different jangamas living and having Matts in different places. It is not clear now the Hunsamaranhalli matt came to be a successor to other Matts and acquire possession of their Inams and how they were confirmed to this Matt as Devadaya. - Vide paras 1 & 2 of Government Proceedings in referred case No.2 of 1900 and para 3 of Government Proceedings No.4004-7 dated 17th March 1900. I think the whole question deserves to be carefully reconsidered.

3) The redemption of the Jodi is opposed to Inam Rule XVII Clause A.

The applicant does not, as apparently supposed by the Revenue Commissioner, ask for

1) the unalienated lands, formerly part of his proposed jeppi, to be constituted inalienable Devadaya but only for their being entered in the name of the Math, to which I can see no objection

2) The applicant however asks for the disenfranchisement of the Inam lands and not only for the Quit-rent imposed by the Inam Deputy being struck off but also the old assessment Jodi. It is a very unusual request and entirely upon the generosity of As the Revenue

As regards the request of the agent to convert some of the lands intended to be given away to the Math into inalienable inam, the Revenue Commissioner & the Inam Superintendent differ. jory of inalienable devadaya, the Inam Superintendent is of opinion that the request is confined only to unfranchised inams and does not extend to unalienated lands. The agent's petition is not clear on this point. The Agent therein states that he wishes to gift away to the Mutt Inam and aspect lands worth about Rs 25,000, as detailed in the schedule attached to the petition, and requests that "of these properties those which are "personal" may be treated as devadaya and registered in the name of the Mutt". What he means by "personal" is not quite clear whether he intends thereby "his own" or "personal inam"

In recounting his prayers, however, he states

To.
L. Anantasami Rao Esquire B.A.
Secretary to the Government of Mysore,
Mazrai Department.

Sir,

With reference to your Memo No. 4187 dated 8th June 1905, forwarding for report petition from Chenna Veera Wadayer, Agent of Hemasemaranhalli Mutt, in the Devanhalli Taluk, and Government Proceedings No. 4004-7 dated 17th March 1906, passing orders regarding the transfer of the Jodi village of Kempalingahura in the Devanhalli Taluk to the said Mutt, I have the honor to state that the request of the petitioner Chenna Basava Wadayer comprises the following objects:-

(1) that the lands and other properties should be registered in the name of the Mutt,

(2) that the tax on oil mills dedicated for the use of the Mutt should be remitted,

(3) that the Jodi on these lands should be remitted and they should be treated as

Devadaya Iyer;

(4) that a moiety of the cost for the repairs of the Matt to be sanctioned from Government;

(5) that the Matt should be honored by inviting its representative to the Palace on important occasions;

(6) and that Kastick should be sanctioned for the Matt.

Point 1 can be decided hereafter making the needful enquiries regarding the rights of the present Khatedars and their readiness to cause the necessary transfer.

Point 2 also will be decided hereafter ascertaining how far the Matt is benefitted by the oil mills. The Assistant Commissioner will be requested to attend to these points.

3. As regards the 3rd point, the Assistant Commissioner states that the petitioners idea seems to be that the Jodi lands now enfranchised should again be disenfranchised and the quit-rent now imposed for having enfranchised the lands may also be removed, so that the lands may be inalienable. The petitioner's idea being quite laudable, I propose prayer may be granted

4. Regarding the repair of the Matt building, the Public Works Department may be asked to get an estimate prepared and the Government may be pleased to sanction a moiety of the cost. The Assistant Commissioner, raises objection for the Agent living in a portion of the Matt building. But the Agent has petitioned to this office stating that he is in the building only for the purpose of superviseing the Matt business and that he has no family to be residing any residence under such circumstances, the petitioner's residing there may not be a bar to the grant of his prayer.

5. The prayer of the petitioner for the invitation's from the Palace on festive occasions deserves favorable Consideration of Government.

6. As regards the last point, I beg to state that a Pattick of 15 Varahas per month payable according to original samad was in the year Vibrama reduced by 9 Varahas and brought down to 72 Kanniras Varahas per annum. At this reduced rate the Matt was enjoying the Pattick up to the year Swabanu. It is not known why and when the allowance was stopped, I beg to request Government may be pleased to

sanction the renewal of the cash grant as it will not only add much prestige to the name and honor of the institution but it would be very helpful at times of scarcity as the expenditure cannot entirely be met from the produce of the Inam lands.

The entire Vernacular records together with a detailed report of the Assistant Commissioner are herewith forwarded for reference

I have the honor to be

Your most obedient Servant,

H H Sparkes
